Wheels on needle bearings

Herkules Plus

USE: Internal folding wardrobe doors and room dividers. For doors of wood or MDF

Herkules Plus is a superior folding door system for use with one set of double folding doors. It is ideal for use with wooden or MDF wardrobe doors or room dividers up to 40kg, and features strong top mounted rollers on needle bearings running on a durable aluminium track.

- Aluminium pre-drilled track for a durable, long lasting finish and easy installation
- Hangers feature high quality rollers mounted on needle bearings for smooth and quiet running
- Bottom track not required
- Additional door kit available without track
